The funds transitioned as of 3/11/22. For the LifePath Funds, Invesco, and US Debt, the historical returns are representative of the fund returns inclusive of the time period prior to conversion. See the Investment Options Guide for details about investment managers, target allocations and expected fees. Total returns are net of investment management fees.

1. 3-Year, 5-Year, and 10-Year investment returns are annualized.
2. The average expense ratio is approximately 31 bps. This fee includes stable value management, investment manager, wrap contracts and custody costs.
3. The administrative expenses are capped at 1 basis point per year, which are not included in the expense ratio.
4. The administrative expenses are capped at 2 basis points per year, which are not included in the expense ratio.

You should review the *Investment Options Disclosures* document before making any investment decisions.
