Guide to Requesting Recurring Medicare Part B Reimbursement

Recurring Medicare Part B Reimbursement is for those who want to be automatically reimbursed monthly for their premiums deducted from their social security benefit check. Submit one specialized reimbursement form to setup automatic reimbursement for the rest of the year. There will be no need to file a reimbursement request again for Medicare Part B until the following year.

① **Account Holder Information:** Fill in the boxes with information for the account holder. Usually the account holder is the retiree.

② **Reimbursement Request Information:** This section must be completed with a line for each person that requests Medicare Part B reimbursement.

Action: A request may be submitted anytime during the year, or when a Medicare Part B premium change occurs. Enter: "New", "Change" or "End".

Relationship: Include the relationship between the account holder and the person requesting the premium reimbursement (e.g., self, spouse).

Premium Type: Medicare Part B is the only premium allowed on this form.

Start Date: This is usually 01/01/20XX of each new year or the effective date of the coverage period, such as when a participant becomes Medicare-eligible.

End Date: This is usually 12/31/20XX, or could be earlier if there is a death of a covered participant.

Monthly Amount: This amount must match the amount on the supporting document.

③ **Certification Requirement:** Carefully read the certification requirements before signing.

④ **Documenting Your Medicare Part B Reimbursement Request:** All Medicare Part B premium requests require third party documentation showing each item below:
