The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-520-6728. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms see the Glossary. You can view the Glossary at www.MedMutual.com/SBC or call 1-877-520-6728 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$500**/single	Generally, you must pay all of the costs from providers up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible.**
Are there services covered before you meet your deductible?	**Yes. Certain preventive care is covered and paid by the plan before you meet your deductible.**	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive service**s at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes, $100 (generic prescriptions), $200 (brand name prescriptions)/single	You must pay all of the costs for these services up to the specific **deductible** amount before this **plan** begins to pay for these services..
What is the out-of-pocket limit for this plan?	**$1,350**/single	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	**Cost sharing** for **prescription drugs**, **premiums**, balance-billed charges and health care this **plan** doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit.**
Will you pay less if you use a network provider?	Not applicable	This **plan** does not use a **provider network**. You can receive covered services from any **provider**.
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without a **referral.**

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies. Services with **copayments** are covered before you meet your **deductible**, unless otherwise specified.
