I. SCOPE

This Policy applies to publicly-traded stocks and bonds in the Non-U.S. Public Equity and Fixed Income Asset Classes that are actively managed through separate accounts.

This Policy applies to the Ohio Public Employees Retirement System (“OPERS”) Defined Benefit Fund (“DB Fund”) and Health Care 115 Trust Fund, (“HC Fund”).

II. PURPOSE

This Policy addresses the management of potentially unique risks posed by certain public equity and fixed income securities issued by companies with ties to Iran and the Republic of the Sudan, sometimes referred to as North Sudan.

III. LEGAL AUTHORITY

Section 145.11 (A) of the Ohio Revised Code (“ORC”) states in part:

The members of the public employees retirement board shall be the trustees of the funds created by section 145.23 of the Revised Code. The board shall have full power to invest the funds. The board and other fiduciaries shall discharge their duties with respect to the funds solely in the interest of the participants and beneficiaries; for the exclusive purpose of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the public employees retirement system; with care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims; and by diversifying the investments of the system so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.

Section 145.11 (B) of the ORC provides that:

In exercising its fiduciary responsibility with respect to the investment of the funds, it shall be the intent of the Board to give consideration to investments that enhance the general welfare of the state and its citizens where the investments offer quality, return and safety comparable to other investments currently available to the Board.
IV. INVESTMENT PHILOSOPHY

Investments in securities of companies with ties to Iran and Sudan may pose potentially unique risks and the Board desires that Investment Staff (“Staff”) identify and engage those companies. Failure of these Scrutinized Companies to remedy these potential risks may cause restrictions on new investments in the Scrutinized Companies and the divestment of existing investments in the Scrutinized Companies if comparable investments offering similar quality, return and safety are available.

These efforts will be conducted in a manner consistent with the Board’s fiduciary duty, demonstrating prudence and observing best practices.

V. OBJECTIVES

This Policy establishes a goal of reducing investment exposure to the potentially unique risks associated with investments in companies with ties to Iran and the Republic of the Sudan when comparable investments offering similar quality, return and safety are available.

VI. PROCESS

Staff will maintain an Iran and Sudan Divestment Procedure (“Procedure”) to identify and engage companies with ties to Iran and Sudan that includes restrictions on new investments and divestment of existing investments if comparable investments offering similar quality, return and safety are available.

VII. RISK MANAGEMENT

Divesting public equities and fixed income securities that are components of Asset Class and/or portfolio benchmarks may cause an increase in tracking error relative to the associated benchmarks. Staff will monitor the effect of this Policy on the returns and associated tracking errors.

VIII. ROLES AND RESPONSIBILITIES

A. OPERS Retirement Board

The Board is responsible for reviewing and approving this Policy and any changes to it.

B. Executive Director

All members of Staff are accountable to the CIO. The CIO is responsible for all Staff actions relative to the management of OPERS’ investments. In this regard, it is the responsibility of the CIO to satisfy himself/herself that all Policies and directives of the Board are implemented.

D. Investment Compliance

B. Upon Request

Staff shall provide to the Ohio Retirement Study Council ("ORSC") such information about compliance with this Policy or any exceptions as the ORSC may from time to time request.
