Russia Divestment Policy Established

March 16, 2022

I. SCOPE

This Policy applies to investments of the Ohio Public Employees Retirement System (“OPERS”).

II. PURPOSE

This Policy addresses the management of unique risks associated with investments in Russia (“Russian Investments”).

III. LEGAL AUTHORITY

Section 145.11 (A) of the Ohio Revised Code (“ORC”) states in part:

The members of the public employees retirement board shall be the trustees of the funds created by section 145.23 of the Revised Code. The board shall have full power to invest the funds. The board and other fiduciaries shall discharge their duties with respect to the funds solely in the interest of the participants and beneficiaries; for the exclusive purpose of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the public employees retirement system; with care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims; and by diversifying the investments of the system so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.

Section 145.11 (B) of the ORC provides that:

In exercising its fiduciary responsibility with respect to the investment of the funds, it shall be the intent of the Board to give consideration to investments that enhance the general welfare of the state and its citizens where the investments offer quality, return and safety comparable to other investments currently available to the Board.

IV. INVESTMENT PHILOSOPHY

Investments in entities in Russia may pose potentially unique risks and the Board desires that Investment Staff (“Staff”) identify Russian Investments and endeavor to divest from such investments when divestment can be accomplished as provided in this Policy.

These efforts will be conducted in a manner consistent with the Board’s fiduciary duty, demonstrating prudence and observing best practices.

V. OBJECTIVES

This Policy establishes a goal of reducing investment exposure to Russian Investments when divestment can be accomplished in a manner consistent with the Board's fiduciary duty, demonstrating prudence and observing best practices.

VI. PROCESS

Staff will maintain a Russia Divestment Procedure ("Procedure") to identify Russian Investments and divest of existing investments in a manner consistent with the Board's fiduciary duty, demonstrating prudence and observing best practices.

VII. RISK MANAGEMENT

Divesting in accordance with this Policy from investments that are components of Asset Class and/or portfolio benchmarks may cause an increase in tracking error relative to the associated benchmarks. Staff will monitor the effect of this Policy on the returns and associated tracking errors.

VIII. ROLES AND RESPONSIBILITIES

A. OPERS Retirement Board

The Board is responsible for reviewing and approving this Policy and any changes to it. This policy will be reviewed by the Board at least annually.

D. Investment Compliance

The Investment Compliance area of Investment Accounting, Operations and Compliance (“IC”) is responsible for monitoring compliance with this Policy, including guidelines established pursuant to it.
