

## EMPLOYER Notice

Ohio Public Employees Retirement System • 277 East Town Street • Columbus, Ohio 43215

**Important:**

Using the old Bank One ABA routing number may delay deposits and result in interest and/or penalty payments for employers.

**New ABA routing number required as of May 7****Who should read this notice**

Payroll professionals of all employers using wire transfers or ACH for submission of their retirement contributions to OPERS.

**Situation overview**

As part of the Bank One/JPMorgan Chase merger, the ABA routing number will change. All employers who make contribution payments via wire transfers or ACH directly to OPERS use the ABA routing number.

Effective May 7, the new ABA routing number will be **021000021**. Due to the short notification on this change, Bank One has advised they will accept the old ABA routing number for a limited time.

**What you need to do**

Please review your records and make the appropriate changes on all financial documents involving wire transfers or ACH payments to OPERS.

**Why this is important**

If you continue to use the old routing number after May 7, your wire transfers and ACH payments will not be accepted for deposit. Please remember that late payments may negatively impact retirement benefits for your employees and could result in interest and/or penalties for you.
