Employer Manual update attached

Important:

In 2007, the revisions to the OPERS Employer Manual will be completed. After that, it is anticipated that updates only will be needed to keep employers current with changes in legislation and/or processing operations. Therefore, the manual, in its entirety will no longer be published in hard copy format. You will be notified of updates via an Employer Notice and directed to the website to reference the revised pages.

The entire manual will always be available online at www.opers.org.
