Contribution Rates Certified for 2012

Who should read this notice
Finance directors, payroll and human resources professionals of OPERS employers

Situation overview
As required by the Ohio Revised Code, the OPERS Board of Trustees has certified employee and employer contribution rates for OPERS employers for the 2012 calendar year.

These rates will be in effect from January 1, 2012 through December 31, 2012.

As provided for by law, scheduled, incremental increases will continue for the public safety and law enforcement groups. Below, you’ll find the certified rates for employers for 2012, showing increases in the public safety and law enforcement employee contributions.

What employers need to do
Ensure those processing retirement contributions have the accurate contribution rates. Below are the retirement contribution rates that will become effective for all pay periods ending on or after January 1, 2012:

The 2012 employee contribution rates will be:

- State: 10.00%
- Local: 10.00%
- Public Safety: 11.50%
- Law Enforcement: 12.10%

The 2012 employer contribution rates will be:

- State: 14.00%
- Local: 14.00%
- Public Safety: 18.10%
- Law Enforcement: 18.10%

As a reminder: Salary must be reported when it is earned, not paid. This means that each month you must report all pay periods ending in that month—regardless of when the employee is paid. Example: If your last pay period in 2011 has an ending date in 2012, the retirement deduction for this entire pay period must be taken at the 2012 contribution rate. However, if the last pay period in 2011 has an ending date in 2011 but will be paid in 2012, the 2011 rate would apply.

Note: These rates are effective for all pay periods ending in January 2012, even if some days were worked in 2011.
Why this is important
Accurate reporting and remitting of retirement contributions is important to provide correct service credit in OPERS for your employees.
