EMPLOYER NOTICE

New Employer Tool Created to Assist with Onboarding

WHO SHOULD READ THIS NOTICE
OPERS employer contacts working with new hires or employee onboarding

SITUATION OVERVIEW
OPERS is committed to partnering with employers to increase employee engagement in their retirement whether they are new to public employment, changing employers or returning to the public sector.

Employers are the first point of contact for a new hire and a valuable resource to help OPERS reach its newest or returning members.

WHAT EMPLOYERS NEED TO DO
A new tool has been created to assist OPERS public employers during the onboarding process. The About OPERS: Information for New Hires brochure is available to order from the Employer Forms page on opersorg.
Employers are asked to begin incorporating the brochure into new hire onboarding processes to help employees get started on the right foot in terms of choosing a retirement plan and learning about the benefits of OPERS membership.
