

EMPLOYER NOTICE

OPERS Offering Life Insurance to Members

WHO SHOULD READ THIS NOTICE

Human resource professionals and any employer contact assisting employees with benefits.

SITUATION OVERVIEW

OPERS is pleased to announce that Colonial Life will offer term-life and whole-life policies to OPERS members for a fifth year during an open enrollment period starting June 1 through Sept. 22, 2022. It's a continued effort to help members plan for their future and provide financial stability for their family when they pass away. Pension benefits differ from life insurance benefits.

Members will be able to enroll in a term-life or whole-life individual policy. These policies are currently being offered with guaranteed issue up to certain limits. Eligibility questions still apply.

This policy is not intended to replace any life insurance offered through their employer but is an optional offering available to the member at their expense. Another benefit of coverage through Colonial Life is that members will have the opportunity to continue with their policy even if they leave public employment.

Again, the open enrollment period will be June 1 through Sept. 22, 2022. Members will be able to enroll in a policy by speaking with an Ohio-based Colonial Life benefits counselor using the virtual enrollment option or over the phone. The virtual enrollment option allows members the flexibility to connect with their benefit counselor via conference call, video chat or screen-share.

Starting Aug. 16, OPERS members will have an additional method to review their benefits and enroll. OPERS Members can call a toll-free number to speak with a Colonial Life Home Office-based benefits counselor between 8 a.m. and 8 p.m., Monday-Friday.

WHAT EMPLOYERS NEED TO DO

Please make your employees aware of this offering. Colonial Life staff will work with each member to help educate your employees about the differences in the life insurance policies.

Please complete the OPERS Employers Preference Form to indicate your enrollment preferences for OPERS members during the 2022 open enrollment. Enrollment can be done in-person onsite (with precautions), through the Colonial Life enrollment call center, or through a combination of both. A Colonial Life representative will contact you in the coming weeks to discuss the enrollment options that will work best for your organization, based on your preferences.

New for 2022, we ask that you share with your employees a recorded webinar, providing them additional details for this year's open enrollment. This can be accessed and shared using the following link:
