The Administrator shall reimburse a Participant, who has received from the Administrator the necessary exemption from direct deposit, for the amount of the approved Qualifying Medical Expenses by check. Any HRA Account reimbursement payment that is unclaimed by the Participant within ninety (90) days from the date of the reimbursement payment shall expire; provided, however, the Administrator shall reissue the HRA Account reimbursement payment to the Participant upon the Participant's request.

4.3 Limitation on Reimbursement of Qualifying Medical Expenses. Notwithstanding any other provision of this Plan, the Administrator may adjust the amount of the Reimbursement

Allowance or limit the amounts reimbursed or paid with respect to any Participant who is a highly compensated individual (within the meaning of Code section 105(h)(5)), without the consent of such person, to the extent the Administrator deems such limitation to be advisable to assure compliance with any nondiscrimination provision of the Code. Any such adjustment shall be made in a nondiscriminatory manner that treats similarly situated persons in substantially the same manner.

4.4 Claims for Reimbursement of Qualifying Medical Expenses.

(a) Timing. Subject to Article V, but no earlier than October 1, 2015, a Participant may apply to the Administrator for reimbursement of Qualifying Medical Expenses by submitting a written application to the Third Party Administrator, or by following the reimbursement procedures established by the Third Party Administrator. The Third Party Administrator shall reimburse the Participant for expenses that it determines are Qualifying Medical Expenses, up to the balance in the Participant's HRA Account.

(b) Substantiation. The Third Party Administrator shall verify that all claims for reimbursement constitute Qualifying Medical Expenses. A Participant seeking reimbursement shall be required to comply with any substantiation procedures established by the Third Party Administrator. A Participant who seeks the reimbursement of Qualifying Medical Expenses must include in his written application for reimbursement all of the following information:

- (1) The amount, less any amount recovered or expected to be recovered under any insurance arrangement or other plan with respect to the expense, the date, and the nature of the expense with respect to which reimbursement is requested;
- (2) The name of the person, provider, Insurance Carrier, organization or entity to which the expense was or is to be paid;
- (3) The name of the person for whom the expense was incurred and, if such person is not the Participant, the relationship of such person to the Participant;

Such application shall be accompanied by bills, invoices, insurance provider's explanation of benefits, receipts, canceled checks or other statements showing the amounts of such expenses, together with any additional documentation which the Administrator or Third Party Administrator may request.

4.5 Carryover of HRA Account Balance. Except as provided in Section 4.7, if any balance remains in the Participant's HRA Account at the end of a Plan Year, such balance shall be carried over to the immediately following Plan Year to reimburse the Participant for Qualifying Medical Expenses.

4.6 Loss of Coverage and Forfeiture of HRA Account.

(a) Termination of Participation Under Section 2.4(i). Upon termination of participation as set forth in Section 2.4(i), all coverage under this Plan shall cease unless Participant's Spouse or Dependent continues coverage under the Plan, if applicable, by electing COBRA continuation coverage pursuant to Article VI or the coverage provided under the Plan pursuant to Section 4.7(a)(1).

(b) Termination of Participation Under Section 2.4(ii). Upon termination of participation as set forth in Section 2.4(ii), the Participant's coverage under this Plan shall cease, and Qualified Medical Expenses incurred on or after such date shall not be reimbursed. A terminated Participant shall forfeit the unused amount of his HRA Account on the date of his termination of participation in the Plan. In the event such terminated Participant is subsequently eligible to resume participation in the Plan, then such Participant's HRA Account shall be reinstated and the forfeited amount shall be restored to his HRA Account. The Participant's eligibility to receive a Reimbursement Allowance shall be governed by Article III.

4.7 Death.

(a) Participant Who Is An Eligible Retiree.

(1) Upon the death of a Participant who is an Eligible Retiree, the deceased Participant's Spouse or Dependent, as applicable, may waive COBRA continuation coverage and elect to continue coverage under the Plan pursuant to this Section 4.7 as alternative coverage to COBRA continuation coverage. Upon the death of a Participant who is an Eligible Retiree, such Participant's Spouse or Dependents, as applicable, shall be eligible to submit claims for: (i) Qualifying Medical Expenses which are incurred by the Participant through his date of death, and (ii) Qualifying Medical Expenses which are incurred by such Spouse or Dependents provided the Spouse or Dependent has waived COBRA continuation coverage. Such Qualifying Medical Expenses shall be reimbursed only from the balance in the deceased Participant's HRA Account determined as of the date of his death, and as subsequently debited for reimbursements for such Qualifying Medical Expenses. Claims for reimbursement of such Qualifying Medical Expenses must be submitted to the Third Party Administrator pursuant to Section 4.4.

(2) Notwithstanding Section 4.7(a)(1), an authorized representative (including the deceased Participant's Spouse or Dependent) of a deceased Participant who is an Eligible Retiree may submit a claim for reimbursement for any Qualifying Medical Expenses incurred by such deceased Participant prior to the deceased Participant's termination of participation as set forth in Section 2.4. Such Qualifying Medical Expenses shall be reimbursed only from the balance in the deceased Participant's HRA Account determined as of the date of his death, and as subsequently debited for reimbursements for such Qualifying Medical Expenses. Claims for reimbursement of such

Qualifying Medical Expenses must be submitted to the Third Party Administrator pursuant to Section 4.4.

- (3) The balance in a deceased Participant's HRA Account shall be forfeited twenty- four (24) months after the deceased Participant's date of death. In the case of a deceased Participant whose death occurred prior to September 3, 2019, and whose HRA account was not forfeited on that date, the balance in the deceased Participant's HRA Account shall be forfeited twenty-four months after September 3, 2019.

(Section 4.7(a) amended: 10/3/19)

(b) Participant Who Is An Eligible Survivor Benefit Recipient. Upon the death of a Participant who is an Eligible Survivor Benefit Recipient, such deceased Participant's coverage shall cease and any unused amount in his HRA Account on his date of death shall be forfeited. An authorized representative of a deceased Participant who is an Eligible Survivor Benefit Recipient may submit a claim for reimbursement for any Qualifying Medical Expenses incurred by such deceased Participant prior to the deceased Participant's termination of participation as set forth in Section 2.4. Such Qualifying Medical Expenses shall be reimbursed only from the balance in the deceased Participant's HRA Account determined as of the date of his death, and as subsequently debited for reimbursements for such Qualifying Medical Expenses. Claims for reimbursement of such Qualifying Medical Expenses must be submitted to the Third Party Administrator within 24 months of the Participant's death. The balance in a deceased Participant's HRA Account shall be forfeited upon the expiration of the 24-month period following the date of death.

4.8 Coordination of Coverage. Coverage under this Plan is solely intended to reimburse Qualifying Medical Expenses not previously reimbursed elsewhere. To the extent that an otherwise eligible Qualifying Medical Expense is payable or reimbursable from another source, that other source shall pay or reimburse prior to payment or reimbursement from this Plan. Without limiting the foregoing, if the Participant's Qualifying Medical Expenses are covered by both this Plan and by a Health Flexible Spending Account, then this Plan shall not be available for reimbursement of such Qualifying Medical Expenses until after amounts available for reimbursement under the Health Flexible Spending Account has been exhausted.

ARTICLE V

CLAIM PROCEDURES

5.1 Claims Procedure. All claims for reimbursement and all other requests or questions under this Plan shall be presented and resolved pursuant to the following procedure:

(a) The Third Party Administrator shall notify the Eligible Retiree, Eligible Survivor Benefit Recipient, Participant, Spouse or Dependent, as applicable, (the "Claimant") in writing of the claims determination, and if the claim is approved, pay the claims no later than thirty (30) days after receipt of the claim by the Plan. This period may be extended by the Third Party Administrator for up to fifteen (15) days provided that the Third Party Administrator determines that such extension is necessary due to matters beyond the control of the Plan and the Claimant is notified prior to the expiration of the initial thirty (30) day period of circumstances requiring the extension of time and the date as of which the Third Party Administrator expects to render a decision. If such extension is necessary due to a failure of the Claimant to submit the information necessary to decide the claim, the notice of extension shall specifically explain the additional information needed to decide the claim and then the Claimant shall be afforded at least forty-five (45) days within which to provide the specified information, and the notice of extension shall have the effect of suspending the time for a decision on the claim until the specified information is provided.

(b) The notice advising a Claimant that a claim has been denied in whole or in part shall (i) specify the reason for denial, (ii) make specific reference to pertinent Plan provisions on which the denial is based, (iii) describe any additional material or information necessary for the Claimant to perfect the claim (explaining why such material or information is needed), (iv) advise the Claimant of the procedure for the appeal of such denial and his right to seek review of the denial, (v) advise the Claimant of the internal rule, guideline, or protocol relied upon in making the adverse determination or that the protocol relied upon may be obtained by the Claimant free of charge upon request, and (vi) provide an explanation of the scientific and clinical judgment for the determination if the adverse determination is based on a medical necessity or experimental treatment or similar exclusion or limit.

The Plan provides one level of mandatory appeal for denied claims for reimbursements. All appeals shall be made by the following procedure:

- (1) The Claimant, or his or her authorized representative, whose claim has been denied shall file with the Third Party Administrator a notice of desire to appeal the denial. Such notice shall be filed within one hundred eighty (180) days of receipt by the Claimant of the adverse benefit determination by the Third Party Administrator, shall be made in writing, and shall set forth all of the facts upon which the appeal is based. Appeals not timely filed shall be barred.
- (2) A Claimant, or his or her authorized representative, shall be provided a reasonable opportunity to appeal an adverse determination with the Third Party Administrator under which there will be a full and fair review of the claim and the adverse determination. Accordingly: (i) a Claimant will be provided the

opportunity to submit written comments, documents, records or other information relating to the claim for reimbursements on appeal; (ii) a Claimant will be provided, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for reimbursements; (iii) a Claimant may have an authorized representative act on his behalf in pursuing a claim or appeal of an adverse determination; (iv) review on appeal will take into account all comments, documents, records and other information submitted by the Claimant relating to the claim without regard to other such information once submitted or considered in the initial determination; (v) such appeal will not afford deference to the initial adverse determination and will be conducted by the Third Party Administrator, which is an appropriate named fiduciary of the Plan and which shall neither be the individual who made the adverse determination that is subject to the appeal nor the subordinate of such individual; (vi) in the case of any appeal of an adverse determination that is based in whole or in part on a medical judgment, the Claimant shall be entitled to a review by the Third Party Administrator based on the Third Party Administrator's consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment whereby such professional is neither an individual who was consulted in connection with the adverse determination that is the subject of the appeal nor the subordinate of any such individual; and (vii) the Claimant will be provided with the identity of the medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the Participant's adverse determination, without regard to whether the advice was relied upon in making the reimbursement determination.

- (3) The Third Party Administrator shall consider the merits of the Claimant's written presentations, the merits of any facts or evidence in support of the denial of reimbursements, and such other facts and circumstances, as the Third Party Administrator shall deem relevant.
- (4) The Third Party Administrator shall render a determination upon the appealed claim within thirty (30) days after receipt of the Claimant's request for review, unless the Third Party Administrator determines that special circumstances require an extension of time for processing the claim, in which case the Claimant shall be give a written notification within such initial thirty (30) day period specifying the reasons for the extension and when such review shall be completed (provided that such review shall be completed within one hundred twenty (120) days after the date on which the request for review was filed). The determination shall be written in a manner calculated to be understood by the Claimant and shall include: (i) the specific reason or reasons for the determination; (ii) the specific references to the specific Plan provisions on which the determination was based; (iii) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for reimbursements; (iv) a statement describing the Plan's appeals procedures; (v) the internal rule, guideline or protocol relied upon in making the adverse determination or a statement that the internal rule, guideline, or protocol may be obtained free of charge upon request; and (vi) if the

adverse determination is based on a medical necessity or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request. The determination so rendered shall be binding upon all parties. The single level of appeal described in this section is mandatory before a Claimant can file legal action against the Administrator.

- (5) The Administrator has determined that due to the nature of this Plan, there will be no pre-service claims or urgent claims, and all claims and appeals under this Plan shall constitute post-service claims. Notwithstanding the foregoing, to the extent that a claim or appeal is received by the Plan that constitutes an urgent care request, a pre-service request or a concurrent claim, the time periods set forth in this Section 5.1 shall be adjusted to reflect the applicable time periods set forth in Department of Labor regulation section 2560.503-1.

5.2 Exhaustion of Administrative Remedies and Pursuit of Legal Action. The exhaustion of the claim procedure in this Article V is mandatory for resolving every claim and dispute arising under this Plan. Claimant, or his authorized representative may not pursue any legal action or equitable remedy otherwise available after the expiration of two (2) years from the date of the written final adverse determination as provided in Section 5.1.

ARTICLE VI

CONTINUATION COVERAGE UNDER COBRA

6.1 Definitions. For purposes of this Article, the following definitions shall apply:

(a) “COBRA” means The Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.

(b) “Continuation Coverage” means the Plan coverage elected by a Qualified Beneficiary under COBRA. This coverage, which as of the time the coverage is being provided, shall be identical to the coverage provided to similarly situated beneficiaries under the Plan with respect to whom, a Qualifying Event has not occurred as of the date the Qualified Beneficiary experiences a Qualifying Event.

(c) “Continuation Coverage Contribution” means the amount of premium contribution required to be paid by a Qualified Beneficiary for Continuation Coverage.

(d) “Covered Participant” means an Eligible Retiree or an Eligible Survivor Benefit Recipient covered under the Plan on the day prior to the Qualifying Event.

(e) “Group Health Plan” has the same meaning as that term is defined in COBRA and the regulations thereunder.

(f) “Qualified Beneficiary” means, except as provided in Section 6.8, a Spouse or Child of a Covered Participant who was covered under the Plan on the day prior to the Qualifying Event. The term Qualified Beneficiary shall include a Child who is born to, adopted by, or placed for adoption with the Covered Participant during a period of Continuation Coverage.

(g) “Qualifying Event” means, except as provided in Section 6.8, the following events which, but for Continuation Coverage, would result in the loss of coverage of a Qualified Beneficiary:

- (1) The death of a Covered Participant;
- (2) The divorce or legal separation of the Covered Participant from his Spouse; or
- (3) A Child ceasing to be eligible as a Dependent under the terms of the Plan.

6.2 Right to Elect Continuation Coverage. If a Qualified Beneficiary loses coverage under the Plan due to a Qualifying Event, he may elect to continue coverage under the Plan in accordance with COBRA upon payment of the Continuation Coverage Contribution specified from time to time by the System. A Qualified Beneficiary must elect the coverage within the sixty- (60) day period beginning on the later of the date of the Qualifying Event, or the date he was notified of his right to continue coverage.

6.3 Notification of Qualifying Event. If the Qualifying Event is divorce, legal separation or a Child's ineligibility under the Plan, the Qualified Beneficiary must notify the System of the Qualifying Event within sixty (60) days of the event in order for coverage to continue. Failure to make timely notification will terminate the Qualified Beneficiary's right to Continuation Coverage under this Article VI.

6.4 Length of Continuation Coverage. A Qualified Beneficiary who loses coverage due a Qualifying Event may continue coverage under the Plan for up to thirty-six (36) months from the date of the Qualifying Event, or for such other period as prescribed by COBRA and the Ohio Revised Code and the administrative pronouncements promulgated thereunder.

6.5 Termination of Continuation Coverage. Continuation Coverage will automatically end earlier than the thirty-six (36) month period for a Qualified Beneficiary if:

(a) The required Continuation Coverage Contribution is not received by the System within thirty (30) days following the date it is due (or, in the case of the initial payment, within forty-five (45) days of the due date for the initial payment);

(b) The Qualified Beneficiary becomes covered under any other Group Health Plan (other than this Plan) as an employee or otherwise. This provision applies to all Qualifying Events;

(c) The Qualified Beneficiary becomes entitled to Medicare benefits; or

(d) The System or Employer ceases to offer any Group Health Plans.

6.6 Continuation Coverage. The Continuation Coverage elected by a Qualified Beneficiary is subject to all of the terms, conditions, limitations and exclusions which are applicable to the Group Health Plan offered to similarly situated individuals. The Continuation Coverage is also subject to the rules and regulations under COBRA. If COBRA permits Qualified Beneficiaries to add dependents for Continuation Coverage, such dependents must meet the definition of dependent under the Plan.

6.7 Payment of Continuation Coverage Contribution.

(a) The Plan will determine the amount of the monthly Continuation Coverage Contribution for any period, which will be a reasonable estimate of the Plan's cost of providing coverage for such period for similarly situated individuals for whom a Qualifying Event has not occurred, determined on an actuarial basis and considering such factors as the Secretary of Health and Human Services may prescribe. The Continuation Coverage Contribution is the same for Qualified Beneficiaries with different total reimbursement amounts available from the Plan. The Plan may require a Qualified Beneficiary to pay a Continuation Coverage Contribution that does not exceed one hundred two (102) percent of the applicable premium for that period.

(b) If Continuation Coverage is elected, the first monthly Continuation Coverage Contribution must be made within forty-five (45) days of the date of election.

(c) Without further notice from the System, the Qualified Beneficiary must pay the Continuation Coverage Contribution by the first day of the month for which coverage is to be effective. If payment is not received by the System within thirty (30) days of the payment's due date, Continuation Coverage will terminate in accordance with Section 6.5(a).

(d) No claim will be payable under this provision for any period for which the Continuation Coverage Contribution is not received from or on behalf of the Qualified Beneficiary by the due dates specified in this Section 6.7.

6.8 Bankruptcy under Title XI.

(a) For purposes of this Section 6.8 only:

(1) "Qualified Beneficiary" means (i) a Covered Participant who retired on or before the date of the Qualifying Event, and (ii) an individual who was covered under the Plan as an Eligible Survivor Benefit Recipient or as a Spouse or Child on the day before the date of the Qualifying Event.

(2) "Qualifying Event" means the substantial elimination of coverage under the Plan within one year before or after the System files a petition in bankruptcy under Title XI of the United States Code.

(b) If a Qualified Beneficiary experiences a Qualifying Event as defined in this Section, he may elect to continue coverage under the Plan if he pays the Continuation Coverage Contribution specified from time to time by the System, and makes his election in accordance with Section 6.2.

(c) Continuation Coverage for a Qualified Beneficiary who is an Eligible Retiree or an Eligible Survivor Benefit Recipient will continue for the life of such Qualified Beneficiary. Continuation Coverage for a Qualified Beneficiary who is a Spouse or Child will continue for the life of the Eligible Retiree or Eligible Survivor Benefit Recipient and for up to thirty-six (36) months after the death of the Eligible Retiree or Eligible Survivor Benefit Recipient.

(d) Continuation Coverage elected under this Section will automatically end earlier than the periods specified above if the required Continuation Coverage Contribution is not paid on a timely basis or if the System ceases to offer any Group Health Plans.

If the person fails to make the repayment, the Administrator or Third Party Administrator shall withhold the amount due from any benefit due the person or may collect the amount in any other manner provided by law.

10.4 Guarantee of Tax Consequences. Neither the Administrator nor the System makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant under this Plan will be excludable from the Participant's gross income for federal, state or local income tax purposes. It shall be the obligation of each Participant to determine whether each payment under this Plan is excludable from the Participant's gross income for federal, state, and local income tax purposes and to notify the Administrator if the Participant has any reason to believe that such payment is not so excludable.

10.5 Newborns' and Mothers' Health Protection Act of 1996. The Plan may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than forty-eight (48) hours following a normal vaginal delivery, or less than ninety-six (96) hours following a cesarean section, or require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of the above periods.

10.6 Women's Health and Cancer Rights Act of 1998. To the extent the Plan provides benefits with respect to mastectomy, it will provide, in the case of an individual who is receiving benefits in connection with a mastectomy and who elects reconstruction in connection with such mastectomy, coverage for all stages of reconstruction of the breast on which a mastectomy was performed, surgery and reconstruction of the other breast to provide a symmetrical appearance, prostheses, and coverage of physical complications at all stages of the mastectomy, including lymphedemas.

10.7 Legal Proceedings. No action at law or in equity shall be brought to recover benefits under the Plan:

(a) Prior to the expiration of sixty (60) days after proof of claim has been filed in accordance with the claim procedures of Article V;

(b) More than three (3) years from the expiration of the time within which proof of claim is required by the Plan; and

(c) Unless the Participant claiming benefits shall have first exhausted his administrative remedies by filing proof of claim and pursuing an appeal under the terms provided in the Plan.

10.8 Facility of Payment. Whenever a Participant or provider to whom payments are directed to be made is determined to be mentally, physically, or legally incapable of receiving or acknowledging receipt of such payments, neither the System nor the Administrator shall be under any obligation to see that a legal representative is appointed or to make payments to such legal representative if appointed. If a Participant to whom a payment would otherwise be due is deceased, the System or the Administrator may make such payment to the estate or personal representative of such Participant. A determination of payment made in good faith shall be conclusive on all persons. The System and the Administrator shall not be liable to any person as the result of a payment made and shall be fully discharged from all future liability with respect to a payment made. Nothing herein shall restrict or impair the right of the System to recover any excess or duplicate payment or payment made in error.

10.9 Limitation of Rights. Nothing contained herein shall operate or be construed to give any person any legal or equitable right against an Employer, Administrator, or the System, except as expressly provided herein or required by law.

10.10 Release. Any payment to any Participant or Dependent shall, to the extent thereof, be in full satisfaction of the claim of such Participant or Dependent and the Administrator may condition payment thereof on the delivery by the Participant or Dependent of a duly executed receipt and release in such form as may be determined by the Administrator.

10.11 Liability. The Administrator shall not incur any liability in acting upon any notice, request, signed letter, telegram, or other paper or document, or electronic transmission, believed by the Administrator to be genuine or to be executed or sent by an authorized person.

10.12 Necessary Parties. Necessary parties to any accounting, litigation, or other proceedings relating to the Plan shall include only the Administrator. The settlement or judgment in any such case in which the Board is served shall be binding upon all affected Participants in the Plan, their Dependents, estates, and upon all persons claiming by, and through, or under them.

10.13 Severability. If any provision of the Plan shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of the Plan shall continue to be fully effective.

10.14 Supersession. The terms of this Plan shall supersede any previous agreement between entities or individuals pertaining to the Plan.

10.15 Construction. This Plan shall be construed:
