Own your tomorrow™

Schwab Personal Choice Retirement Account is a self-directed brokerage account (SDBA) designed to complement your Ohio Public Employees Retirement System (OPERS) retirement plan core investments. PCRA gives you greater access to thousands of additional investment choices.

Who should choose to invest through PCRA?

Schwab PCRA is for *knowledgeable* investors who understand the risks associated with many of the investment choices available through PCRA and who are committed to staying invested for the long-term. PCRA is designed for individuals who seek more flexibility, increased diversification and a greater role in managing their retirement savings.

How does PCRA differ from a typical brokerage account?

PCRA is different than a typical retail brokerage account because it is part of your retirement plan. Because your assets are part of a retirement plan, your investments are tax-deferred. You can only fund your PCRA through transfers from your OPERS retirement plan core investments.

A significant difference is that your PCRA can only be used to invest in mutual funds offered at Schwab, based on the provisions of your plan. If you have any other accounts with Schwab, such as an Individual Retirement Account (IRA), you cannot transfer assets between such accounts and PCRA. All restrictions imposed through your OPERS retirement plan apply to the money transferred to PCRA.

What investments are available through PCRA?

Through PCRA, you may access more than 8,000 mutual funds from over 640 well-known fund families. Over 4,000 mutual funds are available with no-loads and no-transaction fees¹, including over 2,200 load-waived funds typically available only to institutional clients.

Ineligible investments include: Stocks, bonds, non-OneSource mutual funds, exchange-traded funds, currencies, short sales, private placements, commodities, precious metals, real estate, futures, margin accounts, collectibles, and options.

Note: Investors should carefully consider information contained in the prospectus, including investment objectives, risks, trading policies, charges and expenses. You can request a prospectus by calling Schwab's dedicated PCRA Call Center at 1-888-393-PCRA (7272). You may also request a prospectus online at www.schwab.com/prospectus. Please read the prospectus carefully before investing.

Assets transferred from your OPERS retirement plan core account into your PCRA will be automatically allocated into the cash sweep feature² in your PCRA within approximately two business days. Use these assets to purchase the securities you have selected.

Can I make direct payroll contributions to my PCRA?

No. Money can only be transferred from the OPERS core investment options into your PCRA.

What cash options are available in PCRA?

The cash feature is not intended to be a long-term investment. If you desire to maintain cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, you can use Schwab purchased money market funds. This option is available outside of the Cash Features Program to help maximize your return potential, consistent with your investment objectives and risk tolerance.

For additional information, contact your Schwab representative or visit www.schwab.com/cash after you log in to your account.

How do I transfer money from my PCRA back to the other core investments in my retirement plan?

If required, visit Schwab.com or call the PCRA Call Center to liquidate securities to make cash available for transfer. As soon as settled cash is available in the cash sweep feature in your PCRA, you may transfer the assets back to your OPERS retirement plan core investments. Initiate the transfer through your OPERS online account or with assistance from a helpline counselor at 1-866-673-7748.

Who provides my PCRA statements?

Schwab will send you a PCRA statement each month regardless of activity. You can access your PCRA statement, see your balance, and view all transactions made within the last two years by logging into your PCRA on Schwab.com. You can enroll in Schwab's Paperless Service and electronically receive your statements, trade confirms, and other regulatory materials via email by going to www.schwab.com/paperless.

Is there a minimum transfer required?

No. There is no minimum transfer amount as long as requirements for establishing and maintaining an account are met.

Can I still participate in the PCRA when I terminate employment?

Yes. You can still participate in the PCRA as long as you have an OPERS Individual Account and meet the other requirements.

How are the funds invested in the PCRA affected when the OPERS rebalance feature is used?

Funds invested in the PCRA are not affected when using the rebalance feature associated with your OPERS retirement plan core investments. You will be responsible for adjusting those balances held in the PCRA mutual funds. Following a transfer of funds into the PCRA, you will need to reestablish the OPERS rebalance feature.

What do I need to do when I apply for retirement from or a refund of my Member-Directed or Combined Plan?

To speed up the processing of your retirement or refund, you will need to liquidate your mutual fund holdings in your PCRA and move those assets back to your OPERS core investments. Your retirement or refund will not be processed until you move the assets.
